Inspired by modern design and with an emphasis on greenery and tranquility, Cortile offers high-quality apartments arranged around a beautiful communal courtyard garden. Here, you'll enjoy a comfortable lifestyle with the perfect balance between city life and relaxation. This third-floor apartment welcomes you through an entryway with a guest restroom and a practical storage room. The living and dining area with an open kitchen creates a pleasant, open living space and opens onto a cozy terrace. Adjacent to this is a convenient kitchen pantry. The apartment features one full-sized bedroom and a modern bathroom. Thanks to the efficient layout and the terrace, you'll enjoy a comfortable and practical living experience here.

Underground parking spaces, private storage units, and a communal bicycle storage area are available within the project.
